

Aeronautical Decision Making

Aeronautical Decision Making or better yet, the absence of ADM is a contributing factor in most aircraft accidents in General Aviation.

Directions: Travel to Alexandria Airport Terminal, go left past the Bistro on the Bayou, then turn right on the first road.

A message from the National FAASafetyTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
